

Stadium 2000 Update

Hello Stadium users,

Part of our pools complex will be out of action next week, from Monday 2 August to Sunday 8 August.

- Spa
- Sauna and Steam
- Learn to Swim Pool

We have to close off these areas so the ceiling can be removed. We hope to be back to normal by Monday 9 August.

All Swim School classes will continue as normal. Lessons usually held in the Learn to Swim pool have been moved into the Leisure (lazy river) Pool.

This means there will be little room in the Leisure Pool for public swimming between 9.30am-1pm and 3.30pm-6pm during the week and until 1pm on Saturday.

There will also be little space during the week for groups such as birthday parties.

Lane swimming, Aquacise Classes and Aquajogging will be available as usual.
